

The I. Open World Championship Big Rocket

09 – 14 August 2016

Under the patronage of the Mayor City of Kosice MUDr. Richard Raši PhD.

KOŠICE

BULLETIN № 02 MARCH 2016

Kosice, SLOVAKIA

1. ORGANIZER:

- 1.1.** By appointment of the Slovakian Association of Modelers organizers are: City of Košice and "Space Model Club in Košice"

2. DATE:

- 2.1.** From 09th to 14th August 2016. Airport Bidovce

3. DESCRIPTION OF THE LOCATION OF THE CHAMPIONSHIP:

- 3.1.** In terms of its size and importance in the Slovak Republic, the city of Košice (235 281 citizens) ranks right after the capital Bratislava. It lies in the eastern part of Slovakia, not far from the borders with Hungary (20 km), Ukraine (80 km) and Poland (90 km).
- 3.2.** The advantages of this location, near the borders of three states and lying on important domestic and international transport routes, translate into the preconditions for good commercial connectivity. This is significantly enhanced by the existing railway junction and airport with international status.
- 3.3.** The city occupies the Košice Basin formed by the wide valley of the River Hornád, contained by the outlying ridges of the Slovakian Ore mountains to the west and the Salt hills to the east. The city centre lies at 208 metres above sea-level, and the climate in Košice is moderately warm with average temperatures of 19° C in July and -3° C in January.

4. COMPETITION RULES:

- 4.1.** The Championship shall be run according to the Big Rocket Sporting code, 2015 Edition

5. CLASSES:

- 5.1.** **R1** Altitude rocket – **R2** Multistage Altitude rocket – **R3** Scale Modell – **R4** „Open rocket“
