European Union Open Championship in Micro Magic 2016

*Supported by the mayor of Košice Nad Jazerom
Ing.Mgr. Lenka Kovačevičová*

Košice has been named the European Capital of Sport for 2016 by the European Capitals of Sport Association (ACES Europe). Košice will attempt to attract as many people as possible to engage in sporting activities. Those in social need will be able to take part in sports for free at the city's facilities, while the local authority will also make it easier for the disabled and elderly to go for sport. This won't only bring an economic effect, but also sports experience and motivate youth into purposeful sporting activities.
